Registration Deadline: Wednesday, 5/12/2021

Create a stained glass hanging without the time and expense of the traditional stained glass process. You will create your own design using pieces of beautiful art glass and epoxy cast in a picture frame. The mosaic can be a great gift for family or a friend! Students are required to bring their own sturdy floating frame which can be purchased at a hobby or craft store. The frames should not be smaller than 8" by 10" or larger than 16" by 20". Please come with an idea or picture of what you'd like to create. New and previous students are welcome.

Class Cancellations

Early registration helps insure that classes will run. Registration continues until classes are filled or the registration deadline passes. We may accept registrations after the published deadline for classes that have met our minimum registration requirements. The Arts Castle reserves the right to cancel classes if the need arises; you will be notified if your class must be cancelled.

In the event the Castle is required to close because of local or state regulations, a pro rata refund will be given. If a class is cancelled due to weather or instructor illness, students will be notified as to the day and time of the make-up class. If a student is unable to attend the re-scheduled class, the student will forfeit the instructional time. Refunds for re-scheduled classes will not be given.

Student Work

Except by special request, student artwork will not be retained past the end of the quarter. Ceramic artwork must be removed by the posted deadline.

Unattended Children Policy

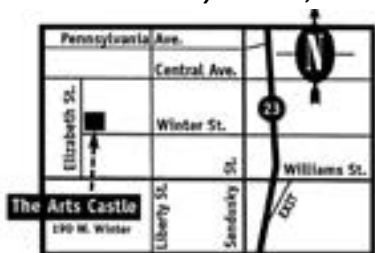

The Arts Castle is an institution where all patrons can engage in artistic activities safely. Therefore, it is imperative that parents/guardians drop off and pick up children for classes in a timely manner. Children should be picked up from class within 10 minutes of the scheduled class completion time.
