# DANCE ACADEMY

## WHY CHOOSE THE ARTS CASTLE DANCE ACADEMY?

**AFFORDABLE.** We strive to make all of our classes affordable for all families. Scholarships, discounts for multiple classes, and alternative payment schedules are available. There are no registration fees.

**FAMILY-FRIENDLY.** We are family-friendly and appropriate for all audiences. Costumes, song lyrics, and dance routines are carefully vetted so that everyone can enjoy the dancing.

**SUPPORTIVE.** We are non-competitive and supportive in nature. We love to dance, and we strive for excellence as individuals and ensembles while having a lot of fun!

## ABOUT THE ARTS CASTLE DANCE ACADEMY PROGRAM

The Arts Castle Dance Academy (ACDA) offers professional instruction in a fun, non-competitive environment. We believe everyone should have an opportunity to dance. ACDA is unique in offering many avenues for students to learn and enjoy dancing, while working with a busy schedule and budget. ACDA seeks to awaken the joy of dance with a combination of quality technique and personal expression. This objective is best met within a supportive, family-friendly environment, open to dancers of all age and abilities, and cultivated by a nurturing, professional team of instructors. Ballet, tap, jazz, tumbling and combo classes are offered annually.

In addition, ACDA Dance Companies provide additional performance opportunities for dedicated dancers. For younger dancers, The Arts Castle has pre-academy classes offered quarterly. Join us and enjoy the art of dance!

Arts Castle Dance Academy curriculum is designed to cover 32 weeks of material and culminate in our annual Spring Recital. The fee reflects this yearly commitment. Thus, we do not prorate on a monthly basis. We encourage students to pay for the year by Sept. 30 or to sign up for monthly automatic payment plan. However, for some families, a monthly payment plan is the preferred option. Should a student choose the monthly installment schedule, payments are due by the first of the month from Sept. through May. A \$10 fee will be added to all payments not received by the 5th of the month. Students with an unpaid balance at the end of the month will be subject to removal from the class. We encourage families to contact us before the first of the month if payment difficulties arise so that we can work together to overcome financial hardships. Students who remit full payment for the year by Sept. 30 will receive a 10% discount off the listed price. Students may also choose to remit installment payments on a monthly basis for 9 months beginning Sept. 1.

Arts Castle Dance Academy class fees are excluded from The Arts Castle membership discount. However, the Arts Castle offers discounts for multiple classes per household. A household is defined as persons who live at the same address for more than half of the year.

A discount will be given to dancers taking multiple classes. A \$5 discount off will apply to the second class. Any class after the 2nd will be \$10 off the original price.

### ACDA CLASS FEES

60 minutes	\$65
45 minutes	\$55
30 minutes	\$45

### Example

The Smiths have 2 dancers. Alli Smith takes one 30 minute class and one 45 minute class. Drew Smith takes two 30 minutes classes.  
 $\$45 + \$55 + \$45 + \$45 = \$190$  - \$35 discount (\$5 off 1<sup>st</sup> class + \$10 off 2<sup>nd</sup> class + \$10 off 3<sup>rd</sup> class + \$10 off 4<sup>th</sup> class) = \$155/month

Their total yearly commitment, if they pay monthly, would be \$155 multiplied by 9 months. If they pay for the full year by Sept. 30, they would save 10%, which in this case, is \$139.50.
